Growing up in a musical family of eleven, Havilah, Heather, Abigail and Tabitha began performing in their family quintet at a young age. In 2003 a duo with the two older sisters sparked the Maidens band to existence and it quickly climbed to III and IV with the addition of each younger sister. By 2006 these sisters had completed their first full-length album *Charm & Fire*, with *Four Aflame*, *Emerald Fire*, *Celtic Fire & Live Out Loud* following in their wake.

Wholehearted and full of life, Maidens IV continues to deliver high-action Celtic & Roots music, mixed with hints of Pop, world and the flavor of Gypsy Jazz. Havilah, Heather, Abigail, and Tabitha are based out of Loudonville, Ohio and have toured throughout Central and North Eastern US. Since 2005, their high-action heartbeat shows have cheered on young and old alike in the merriment of Celtic music.

"Fire can be heard in the instruments as these lovely ladies take command!"
