Full of spirited talent and unbridled Celtic fire, Maidens IV continues to astound their audiences, with enchanting power in their vocals, exquisite dancing, fiddling that dares you not to be amazed, and brilliant unguarded sincerity in their original compositions and performance.

Growing up in a musical family of eleven, Havilah, Heather, Abigail and Tabitha Justice began performing in their family quintet at a young age. In 2003 a duo with the two older sisters sparked the Maidens band to existence and it quickly climbed to III and IV with the addition of each younger sister. The skillful heat of Havilah's Violin, Abigail's vibrant yet thundering Viola, the soft flames of Tabitha's Guitar combined with Heather's crystal leads and heartbeat of the Irish drum, set the stage for velvet glass sister vocals and a live acoustic fire. By 2006 these Maidens had completed their first full-length album *Charm & Fire*, with *Four Aflame & Emerald Fire* soon to follow in 2007 & 08.

Tapping a resounding path of musical celebration throughout OH, MI, PA, VA, MO, OK, and beyond, these angels of the Ohio heartland have danced across the stages of amphitheatres, concert halls and Irish & Folk festivals igniting the gala joy in children yet rocking a solid thrill in teens and adults alike.
