“I would like to give a hearty endorsement for the band Maidens IV. I first saw them at the Sycamore Shoals Celtic Festival in Elizabethton, TN last September and was enchanted. Their energy, musicianship, lovely vocals, and engaging stage presence was impressive and entertaining. The audience loved them! I was so impressed that I booked them right away for the Celtic Weekend of the Virginia Highlands Festival in Abingdon, VA. They are lovely, talented, delightful and charming! You will be very pleased with the Maidens if you include them in your festival. Music & Blessings!”

“The Maidens IV performed at Allegheny RiverStone Center for the Arts, Scottish Festival for the first time in 2010. The audience demanded them back. This 2011 Maidens IV performed outdoors during the festival and at the Close out concert at Lincoln Hall. Again the audiences were engaged and appreciative. Maidens IV will be featured in our video for the Festival. Their energy and freshness is exciting. People naturally want to clap and dance. It is our opinion at ARCA they are marvelous performers and very genuine. We look forward to their return in 2012. Sincerely,”

“We have had the Maidens IV at each of our 7 events and will continue to do so as long as they are available. The Maidens IV are extremely professional, but very approachable. Each member of the group is an accomplished musician in her own right, but put them all together and they have an excitement that is contagious and energizes the crowd.

Their show is not just music but also dance, and they engage the audience at every turn. The Maidens don't just play music, they entertain! They are one of the best Celtic bands in the Midwest and I highly recommend them. Sincerely,”

“Everyone has told us how much they enjoyed the unique performance of Maidens IV. (The) staff continues to hear positive feedback from our participating nations, festival goers and vendors. Havilah, I cannot thank you enough for helping to deliver a first-rate festival where people of all ages, abilities and backgrounds can come together to celebrate arts and the culture.” Sincerely,
